Ability to Learn

Languages

English - B2

Spanish - Native

Frontend Developer with 2 years of experience in web development using ReactJs, NextJs, and TypeScript. My strong foundation in JavaScript, HTML, and CSS has allowed me to lead projects and learn quickly. Additionally, I have contributed to the development of an NPM component library that streamlines design layout. My career goal is to continue improving my technical and interpersonal skills, staying up-to-date with the latest technologies in the tech world.

Work History

2022-02 - 2022-06	Frontend Web Developer (Trainee) <i>Academia Geek, Remote</i> <ul style="list-style-type: none">Web E-commerce Development with React.js, Redux, and Firebase.Application of Responsive and Mobile-First Web Design.Implementation of designs from Figma to production using SASS and React.js.
